VALUE ADDED PRODUCT

HEAVY GAUGE PRE-COATED ALUMINUM SOLUTIONS

TAKE ADVANTAGE OF OUR EXPANDED AVAILABILITY!

Aleris Rolled Products can now pre-coat heavy gauge aluminum up to .160" gauge and 60" wide with your choice of a premium paint solution. No other mill in North America provides as broad a range of heavy gauge pre-coated products as Aleris Rolled Products. Our pre-coated gauge availability has doubled so you can enjoy the benefits of pre-coating on the broadest range of aluminum applications the industry can provide.

PROVIDE SUPERIOR QUALITY COATED PRODUCTS TO YOUR CUSTOMERS!

Our pre-coat experts deliver any color finish that your business requires. We support multiple coating systems for various end use applications. Our coil coating process delivers uniform coverage across a variety of complicated coated applications.

1. Improve the finish quality:
 - 100% paint transfer rate;
 - More uniform appearance; and
 - Enhanced corrosion resistance.
2. Reduce your customers' costs by eliminating their internal painting processes:
 - Reduce their labor, energy and insurance costs;
 - Reduce their working capital costs for coating operations;
 - Reduce their inventory costs for work in process materials; and
 - Release their valuable space for other operations.
3. Improve your customers' safety and environmental compliance by supplying them with pre-coated products:
 - Limit their dealing with OSHA and other regulatory agencies;
 - Limit the risk associated with their employees handling hazardous materials; and
 - Limit their waste disposal.

ELIMINATE THE HASSLE OF OUTSOURCING YOUR COIL COATING!

Why complicate your operational process by outsourcing your coil coating? Aleris Rolled Products can supply you the quality pre-coated product that your customers need, without the operational bottleneck of using an outside coil coating supplier.

By letting us coat your aluminum coil and sheet, you can now:

- Reduce the number of work steps on time sensitive jobs;
- Reduce your administrative costs of managing multiple coil coating suppliers; and
- Eliminate the "middle man" by streamlining your coil coating needs.
